Next week is the last week of the Cribbage Tournament. The battle for first place will be between the first three teams. The Cribbage Breakup Supper and awarding of prizes will be Thursday, March 31.

VOTE SATURDAY

Rotary Club

Visiting Rotarians at the March 8 meeting were Ted Newhall and Ronald Redman of Plymouth, and Jerry Boulier of Hanover.

John Bruce brought Tom Barclay of South Duxbury as his guest. Mr. Stapleton, director of the Plymouth Chamber of Commerce, was also guest.

Albert Anzuoni of the Plymouth and Brockton Street Railway gave a talk with slides, tape narration and background music on guided tours his bus company offers. It was well-presented and illuminating in terms of the many interesting and worthwhile places in the area which there are to see. Slides on the new and the old Boston were especially interesting.

Grange Whist

Anna Nourse was high scorer at the Grange whist. Other prize winners were George Finigan, Johnny Fitts, Waldo Reed, Helen Pickering, Elizabeth Hatch, Kay Finigan, Bertha Sampson and Emily McWade. Frances Logan took the door prize.

John Sampson and Mildred Parker were low scorers. Helen Fitts and Elizabeth Hatch won special prizes.

BOWLING NEWS

Last week Schaffer's Hot-points were cooking on all four burners, as all five men came through with over 300 as they took a big four points from Puritan Cleaners. Bowling over 100 were Bill Jones; 104, 110, with 304 for three. Tom Brennan, 102, 122, with 318 for three; Will Burdick 103, 106 with 305 for three; Dick Washburn 130 with 325 for three; and Pop Billings 112, 118 with 329 for three.

Two weeks ago they also took four points from Machado Painters. Bowling over 100 were Tom Brennan 105; Dick Washburn 112; Bill Jones 103, 109, 111 with 323 for three; and Pop Billings 103, 106, 128 for 337 for three. When Bob White returns after a long leave of absence due to Finance Committee duties, and Capt. Ray Chandler from his recent illness, there should be no stopping the Hotpointers in their move for the top. They are hot, get the point?
